

ON A NIGHT LIKE THIS

INTRO

/C/F/C/G/C/F/G/G/

I

/C/F/C/G/C/F/G/G/

Young man, fast car
Night time he's feelin' lost
he wants love
he's come so far
to spin the wheel
but what's the cost?

II

Last dance
he takes a chance
he picks her up
when their eyes meet
innocence lost
it's his first time
making love in the back seat

CHORUS

/FG/C/FG/C/FG/C/G/F/C/C/

On a night like this
on a night like this
on a night like this
the night is for love
share that kiss
on a night like this

LAST CHORUS

Every night's like this
You know what I'm talkin' about

III

Married woman, family car
in the dark she tries to hide
it's not the first time
she's gone so far
she needs love deep inside

Upstairs in a hotel room
she moans "I love you"
with deep desire

she doesn't care
he knows she knows
Is this love?
Who is the liar?

CHORUS

SOLO - REPEAT INTRO

BRIDGE

/Am/Am/G/G/Am/Am/F/G/

Take a chance
in the deep of night
Are the doors of love
closed tonight?

Nothin's gained
without that risk
share that kiss
on a night like this

CHORUS

III

Rich man, black car
very late
he's feelin' lost
he pulls over
near a bar
needs love
but what's the cost?

He grips the wheel
she's at the window
the deal's made
when their eyes meet
money's paid in the alley
in the dead of the night
on a dead end street

CHORUS

CHORUS

OUTRO - REPEAT INTRO
