

POWER OF THE GUN INTRO

//Em/Asus4/Em/Asus4//

I

/Em/Asus4/Em/Asus4/Em/Asus4/Em/Asus4/

/C/D/C/D/Em/G/A Asus4/A/

I read it in the papers
hear it on the news
another black man shot dead last night
another victim of violent abuse

On a rundown ghetto street
in the morning sun
they found him lyin'
the power of the gun
the power of the gun

II

Hear that shotgun blast
plaster ghetto walls
fugitive of justice
clashes with the law

On a rundown nowhere street
blood stains in the sun
a bloody epitaph
the power of the gun

CHORUS

/Em/G/A/A/

The power of the gun
the power of the gun
more power than the sun
the power of the gun

III

A child cries in the night
her face full of fear
frightened by the gunshots
it's a night full of tears

On a rundown nowhere street
in the morning sun
they found him lyin'
the power of the gun

CHORUS

/Fsus4/

BRIDGE

Dying to live
in a new world
freedom fighting
all his life
for a better life
more innocence dies
confrontation
principles
Is murder ever cured
by years in prison?

CHORUS

(Double Time-Guitar Solo)

CHORUS

A soldier dies in the desert
an act of self defence
think about it now
does it make any sense?

Fatal bullets fly
blood stains in the sun
we keep on fightin'
war is never won

CHORUS

CHORUS

VAMP OUT
